International Golf Federation (IGF)

Lausanne

Report of the auditor to the Board of Directors of International Golf Federation (IGF) on the financial statements 2017

Report of the auditor to the Board of Directors of International Golf Federation (IGF)

Lausanne

On your instructions, we have audited the financial statements of International Golf Federation (IGF) ("the Company"), which comprise the balance sheet, income statement and notes, for the year ended 31 December 2017.

Board of Directors' responsibility

The Board of Directors is responsible for the preparation of the financial statements in accordance with the requirements of Swiss law. This responsibility includes designing, implementing and maintaining an internal control system relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Board of Directors is further responsible for selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Swiss Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control system relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the existence and effectiveness of the entity's internal control system. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements for the year ended 31 December 2017 comply with Swiss law.

Notes to the financial statements 2017 and 2016 In Swiss Francs with convenience translation into US dollar

1. Activity

The International Golf Federation (IGF) is the world-wide Golf sports organisation, the headquarters of which are located in Lausanne, Switzerland.

the objectives of International Golf Federation are:

(a) to encourage the international development of the sport of golf;

(b) to foster friendship and sportmanship among the peoples of the world by organising biennially amateur team championships for the Eisenhower Trophy (for men) and the Espirito Santo trophy (for women);

(c) to promote golf as an Olympic sport; and

(d) to act as the international federation for golf in the Olympic Games and thereby to establish and enforce, in accordance with the Olympic spirit, the rules concerning the playing of golf in the Olympic Games and to fulfil in respect of the sport of golf the mission and role of an international federation within the Olympic movement.

2. Summary of significant accounting policies

2.1 Basis of accounting

IGF uses the accruals basis of accounting in preparing the financial statements.

2.2 Fixed assets

Fixed assets are stated at acquisition cost. When assets are retired or otherwise disposed of, the cost of the asset and the related accumulated depreciation are removed from the accounts. Any profit or loss on retirement is reflected in the earnings for the period.

2.3 Depreciation

Depreciation is calculated on the basis of the cost of the assets and on their estimated useful lives using the reducing balance method.

2.4 Deferred income

Any funds received for events to be held in the future, where reimbursement of these funds would be necessary in the case of event cancellation, are deferred in the balance sheet and not recognised as income until the event for which the funds were received has taken place.

2.5 Accounting for foreign currencies

The functional currency of IGF is the US Dollar. Assets and liabilities denominated in currencies other than US Dollar are recorded based on exchange rates ruling at the year-end. Transactions denominated in other than US Dollar are recorded at average rates for the year. All exchange losses and realised exchange gains are recognised in the statement of income and expenditure.

Financial statements are converted for presentation purpose into Swiss Francs as of the year end. Assets and liabilities are converted using the exchange rate at the year end whereas elements of the statement of income and expenditure are converted using the average echange rate over the period. The difference arising from the conversion is recognise as exchange gain or loss of the period in the statement of income and expenditure.
