About this form

This form is an Expression of Interest (EOI) for golf-specific press accreditation for the LA28 Olympic golf competitions. Submitting it does not guarantee accreditation; allocation depends on the available quota and on the relevance of your submission.

Once you submit this form, the IGF will review your Expression of Interest. The IGF will respond only if your EOI is preliminarily accepted, and will then communicate the accreditation application process.

Deadline: Expressions of Interest must be submitted by Feb 28, 2027. Submissions received after this date will not be considered.

How to submit: Email the completed form to IGF Communications at Communications@igfmail.org.

Important: The number of press accreditations available for the golf competition is very limited. Priority will therefore be given to the media organizations that will provide the most extensive coverage of the golf competition.

- **Who can apply:** daily or weekly newspapers, national news agencies, sports or golf magazines, web-based outlets publishing original content, photo agencies with an established client base, and freelancers with a confirmed assignment.
- **One application per organization:** it should be submitted by the sports editor, managing editor or another authorized representative.
- **Required fields:** fields marked * are required. Complete every field accurately so your application can be assessed fairly.
