

2025 WATC
EISENHOWER TROPHY

PRACTICE DRAW & TEAM PHOTOS

Practice at Tanah Merah Country Club

There are no restrictions in place for teams to access the practice range, short game practice areas or practice putting greens during the scheduled operating times for the practice facilities. The practice facilities are floodlit.

Due to the size of the practice range, players will not be permitted to hit driver, mini driver or 3 wood other than into three designated practice nets. Each starting time will be assigned 5 minutes where players can hit these clubs for practice. The practice nets will be equipped with launch monitors. Outside of these assigned times, the nets can be used on a first come, first served basis.

The course will be closed on Sunday 5 October (no walking the course), however practice facilities will be open.

Team Photos

Team Photos will take place in the Media Centre in the clubhouse. Photographs will all take place on Tuesday 7 October. Dress uniform should be brought when travelling to the course that day, including for the Opening Ceremonies.

With five minutes scheduled for each team, team members are requested to arrive in good time for these appointments. Each team photograph will consist of your country’s 2/3 players, team captain and either a coach or manager (not both) who must wear dress uniform.

Head-and-shoulder pictures of each player and the team captain will also be taken at this time, for use on the scoring system.

Practice Draw - Monday 6 October

1st Tee		Use of Driving Nets
07:15	ZIM	06:35
07:26	FRA	06:46
07:37	CAN	06:57
